

Early Intervention/Early Childhood Special Education (EI/ECSE) Program: Washington County

Do you have concerns about your child's development?

- Contact us for a FREE developmental screening or evaluation: **503-614-1446**.
- Complete a FREE online developmental screening via the Oregon Screening Project: **osp.uoregon.edu**

If you live in Washington County* and your child is experiencing developmental delays, or has a medical diagnosis associated with developmental delays, EI/ECSE services may be available to you. Please reach out to our Washington County intake line at 503-614-1446 for more information.

**If live outside of Washington County, please feel free to call us. One of our intake specialists can provide you with the contact information for your county's EI/ECSE provider. EI/ECSE services are available in all Oregon counties.*
