Get yours today to remain lice free the safe, natural and healthy way!

LICE PREVENTION TIPS:

- Do not share hair accessories including rubber bands, headbands, brushes or combs.
- Do not share hats, helmets, coats, hood sweatshirts, scarves, costumes, etc.
- Long hair should be kept in braids or ponytails. Boys should keep their hair short.
- Children should not hang coats next to each other. Put their coats in a backpack or cubbie. Do not put coats in piles EVER!
- Do not let your children borrow coats from the lost and found.
- Use Lice Knowing You[®] lice prevention products in the hair and on your stuff to help prevent lice.
 - *Once A Week Take A Peek.* Conduct lice checks at home regularly.
